WEDNESDAY EVENING, APRIL 25.

A CELEBRATED PIECE OF PAPER -A promis sory note for \$75,000 is not an insignificant piece of mercantile paper, even in these days, and a quarter of a century ago it would have been considerable of a curicalty. Such a note was given at that period, however, by a tamous operator in old Shoe and Leather street, Boston, and is still on exhibition as a memento of some of the noted transactions which have taken place in that old thoroughfare, now so utterly deserted by the commercial interests which once dour-ished there, that even its name had to be charged. There were some peculiar circumstances connected with this celebrated note.

connected with this celebrated note.

The story was that the man in whose favor it was drawn, and who was a famous Salem merchant, got the promisor up into an upper norm in the latter's own store, and having carefully secured the door, took up a store lifter and threatened to knock his brains out unless he then and there signed the note in question. The man who was threatened, not caring to die just then, appended his autograph as desired, and the promises, who was far his tuperior in strength, then unlocked the door and released The Ealem man desired the note to swell the amount of his arsets, as he was then about to suspend and call a meeting of his creditors. The note was never paid, however. The promisor took counsel with Kufus Cheate, and was informed that it could not be collected during his lifetime. But sixteen years subsequently he purchased it from the heirs of the holder for \$1000 for the purpose of getting it into his own

STATE CREDIT. -At Atlanta, Ga., a few days ago, a colored woman visited the office of the State Treggurer, and, depositing \$65 in gold, the result of her own savings, asked for its worth in four per cent. Georgia tonds, and declaring at the same time that she "wanted to put it into a shape where it would be safe, and at the same time increase." The Atlanta pamost daily received from other southern States, iccluding Tennessee and Virginia, which should be a lesson to the financiers of these States on the importance of maintaining State credit.

SWINDLED AGAIN, -Two thousand colored people are camped out near Wyandotte, Kanwas, dying at the rate of occ in thirty, while waiting for the Government to present them with 160 acres of land, carriages, horses, clothes and oigars, as promised by the sgents of the republican party in Mississippi and Lotsians. The negro doubtless thicks he has been drawn into another Freedmen's bank swindle by his republican friends.-Louisville Courier Journal.

MEDICINAL.

### IVER

This important organ weighs but about three pounds, and all the blood in a living person (about three gallons) passes through it at least once every half hour, to have the bile and other impurities strained or filtered from it. Bile is the natural purgative of the bowels, and if the Liver becomes torpid it is not separated from the blood, but carried through the veins to all parts of the system, and in trying to escape through the pores of the skin, causes it to turn yellow or a dirty brown color. The stomach becomes diseased and Dyspepsia, Indigestion, Constipation, Headache, Biliousness, Jaundice, Chills, Malariai Fevers, Piles, Sick and Sour Stomach, and general debility follow. MER-RKLI/S HEPATINE, the great vegetable discovery for torpidity, causes the Liver to throw off from one to two ounces of bile each time the blood passes through it, as long as there is an excess of bile; and the effect of even a few doses upon yellow complexion or a brown, dirty locking skin, will astonish all who try it—they being the first symptoms to disappear. The cure of all bilious diseases and Liver complaint is made certain by taking Hepatine in accordance with through the veins to all parts of the system, tain by taking Hepatine in accordance with directions. Besedache is generally cured in twenty minutes, and no disease that arises from the Liver can exist if a fair trial is given. Take no pills when you can get Hepatine at the same price. For sale by all Druggists. PRICE 25c and \$1.

LUNGS The fatality of Consumption or Throat and Lung Diseases, which sweep to the grave at least one third of all death's victims, arises from the Opium or Morphine treatment, which simply stupelles as the work of death goes on. \$10,000 will be paid if Opium or Morphine or any preparation of Opium, Morphine or Prussic Acid can be found in the Globe Flower Cough Syrup, which has cured people who are living to-day with one remaining lung. No greater wrong can be done than to say than Consumption is incurable. The GLOBE FLOWER COUGH SYRUP will cure it when all other means the College Couche Athere have failed. Also Colds, Coughs, Asthma, Bronchitis and all diseases of the throat and lungs. Read the testimonials of the Hon Alex. H. Stephens and others in our book-free to all at the drug stores. Take no Troches or Lozenges for Sore Throat, when you can get Globe Flower Syrup at same price. For sale by all Druggists. PRICE 25c and S1.

BLOOD

Grave mistakes are made in the treatment of all diseases that arise from poison in the blood. Not one case of Ecrofula, Syphilis, White Swelling, Ulcerous Sores a Disease in a thousand is treated without the use of Mercury in some form. Mercury rots the bones, and the diseases it produces are worse than any other kind of blood or skin disease can be. Doctor PEMBERTON'S STILLINGIA or QUEEN'S DELIGHT is the only medicine upon which a hope of recovery from Scrofula, Syphilis and Mercurial diseases in all stages, can be reasonably founded, and that will cure Cancer. \$10,000 will be paid by the proprietors if Mercury, or any ingredient not purely vegetable and barmless can be found in it.
